FROM: Mike Flanagan, Superintendent of Public Instruction

SUBJECT: Announcement of 2008-09 Charter School Planning, Implementation and Dissemination Grant Opportunity

The Michigan Department of Education (MDE) expects to receive from the United States Department of Education (USED) a grant award of approximately **\$7,978,981** for use during the 2008-09 school year to strengthen the pool of charter school developers in Michigan. Contingent on final approval of funds from USED (expected this month) three types of sub-grants are anticipated:

- 1) Upon notification during June or July by a qualified Michigan authorizer that a **development team is engaged in final negotiations of a charter contract leading to a Fall 2008 or a Fall 2009 opening**, those teams will be invited to compete for twelve-month planning grants or for twelve-month implementation grants with award dates of September 1, 2008. The competitive grant awards can be for up to \$160,000 in planning expenses, and successful completion of the planning grant qualifies the PSA to apply for further first and second year implementation funding of \$150,000 annually.
- 2) **Earlier stage PSA developers planning for a Fall 2010 opening** will be eligible to compete for eighteen-month planning grants with an award date of April 1, 2009. These competitive grant awards will also be up to \$160,000 in planning expenses, and successful completion of the planning grant, along with acquisition of a charter, will qualify the PSA to apply for further first and second year implementation funding of \$150,000 annually.
